I am writing this letter to ask for exemption for the Closed Captioning on the basis that it will create an unnecessary hardship on our Ministry. We are a small congregation of about 30 with that being only about 9 adults. We are a small but dedicated church and we would like to reach many across the globe.

We pray that this letter will be sufficient in getting us started in the exception process. Thank you. If you have any questions please call. 501-410-5749 or 501-414-5698
